PROFESSIONAL SUMMARY

Final-year B. Tech Information Technology student with knowledge of SQL, Python, Power BI, Data Analytics, and Microsoft Excel. Skilled in data cleaning, data visualization, dashboard development, and database querying. Hands-on experience with Power Automate and SharePoint through internship training. Seeking an opportunity to apply technical, analytical, and problem-solving skills while contributing to organizational growth and continuously enhancing professional expertise.

TECHNICAL SKILLS

Programming Languages: Python | SQL

Visualization Tools: Power BI | Excel

Database: MySQL

Analytics: Data Cleaning | Dashboard Development

Automation & Collaboration: Power Automate | SharePoint

Tools: Visual Studio Code | MySQL Workbench | Git | Microsoft Office

EXPERIENCE

KONE Elevator India Pvt. Ltd

June 2025 – July 2025

Data Analyst Intern

- Completed a one-month internship in the Data Analytics department.
- Gained hands-on experience with Power Automate and SharePoint.
- Assisted in workflow automation and document management processes.
- Worked with data analysis concepts, dashboard creation, and reporting.
- Collaborated with team members to understand business requirements and improve process efficiency.

PROJECTS

Sales Performance Analysis

Technologies: SQL, Power BI, Excel

- Developed an interactive Power BI dashboard to analyze sales performance and monitor key business metrics.
- Used SQL to clean, transform, and query sales data for accurate analysis and reporting.
- Identified sales trends and generated data-driven insights to support business decision-making.

Face Recognition Attendance System

Technologies: Python, OpenCV, MySQL

- Developed a face recognition-based attendance system using Python and OpenCV for automated attendance tracking.
- Integrated a MySQL database to securely store and manage attendance records.
- Improved attendance accuracy and reduced manual effort through real-time face recognition technology.

EDUCATION

Bachelor of Technology in Information Technology

2023 - 2027

Jeppiaar Institute of Technology

Higher Secondary

2022 - 2023

Seetha Kingston House Higher Secondary School

CERTIFICATIONS

- Data Analytics Certification – Novitech. Pvt. Ltd.
- CompTIA Data+ Data Visualization Dashboards – Infosys Springboard
- Python 3.x Programming Certification – SkillRack

ACHIEVEMENTS

- Received the Overall Topper Award for outstanding academic performance.
